

Platinum-RN LED High Bay

100W	14,000 lm
150W	21,000 lm
200W	28,000 lm

The Platinum-RN Range of LED High Bays are an excellent option for replacing HID High Bay fixtures. They are super-efficient, emitting an impressive 140lm/w. They utilise Daermay Drivers and LG LEDs to provide long term energy savings. They are IP65 rated and come with a 5 year warranty.

Apply to warehouses, factories, storerooms, commercial & industrial applications, retail outlets, shopping malls, shopping centres, manufacturing plants, specialised applications and more.

Beam Angle	120°
Colour Temp. Options	6500k
CRI	>80
Driver	Daermay
Fitting Colour	Black
Housing Materials	Die Cast Aluminium
IP Rating	IP65
LED Chip Make	LG
Lens Materials	Polycarbonate
Lumens per Watt	140lm/w
Made in	China
Operating Frequency	50-60 Hz
Power Factor	0.98
Rated Lamp Life	50,000 hrs
Temperature Range	-30 to +50°C
THD	>15%
Voltage	230 VAC
Voltage Input Range	165 – 265 VAC
Warranty	5 Years
